Welcome Page:

Login Page:

A mobile application login page with a pink background. At the top is a dark status bar with the time 10:11, signal strength, and 67% battery. Below this is a dark header bar with a back arrow and the word "Login". The main area contains a large "Login" title, an "Email" input field, a "Password" input field, and a dark "Login" button. At the bottom of the main area is a link that says "Don't have an account? Sign up". The very bottom is a dark navigation bar with three icons: a hamburger menu, a circle, and a back arrow.

If both email and password not enter alert error

Both enter email and password:

The image shows a mobile application interface for a login screen. At the top, there is a dark status bar with the time 10:12, a notification icon, and a battery level of 67%. Below this is a dark header bar with a back arrow and the word "Login" in white. The main background is a light pink color. In the center, the word "Login" is displayed in a large, stylized, outlined font. Below this, there are two white input fields with rounded corners. The first field contains the email address "Umaina.55450@iqra.edu.pk". The second field contains a series of dots representing a password. Below the input fields is a large, dark brown button with rounded corners, labeled "Login" in a white, stylized font. At the bottom of the button area, the text "Don't have an account? Sign up" is displayed in a small, dark brown font. The bottom of the screen features a black navigation bar with three icons: a square, a circle, and a triangle.
